

Talenttalks

AFRICA 2017

PEOPLE • PURPOSE • PROFIT

Talenttalks Africa 2017 is the “must-go-to” Conference in Africa for leaders who are passionate about **PEOPLE | PURPOSE | PROFIT**. The conference positions talent at the centre of business success by achieving business goals and maximising profits with a focus on people.

LEARN | ENGAGE | DEBATE | CREATE & INSPIRE with thought leaders from a range of industries. There is something for everyone. Delegates can choose from four streams with five interactive sessions in each. Topics range from King IV to transformation, gamification, preparing your people to do business in Africa, moral leadership and acquisitions, attraction and retention.

These topics are aligned and integrated from a people, purpose and profit perspective. The event is about talent as the heartbeat of business.
